## Membership Tea To Be Given By Auxiliary

The Woman's Auxiliary of the Everglades Memorial Hospital, at the October meeting in the dining room of the hospital Tuesday night, with the new president, Mrs. Marjorie Laks, presiding, discussed plans for a membership tea, with each member to bring one or more guests interested in joining the Auxiliary.

At the tea, the duties of the Pink Ladies and other members of the Auxiliary will be explained to the guests, who will be taken on a guided tour of the hospital and shown some of the work of the Pink Ladies in the hospital. Arrangements for the membership tea will be made by the hospital's committee, the time and place to be announced later.

The Auxiliary voted to assume as a project the furnishing of the Pediatrics Ward at the hospital with tables and chairs for children and rocking chairs for adults.

It was also voted to make several amusing hand puppets to be given as gifts to children while in the hospital for them to take home when dismissed.

It was announced President Marjorie Laks, Mrs. Marion Blech, Mrs. Ricky Arons and Mrs. Ruth Dobrow are planning to attend the State Conference of Hospital Auxiliaries in Jacksonville, November 16-18. Other members who can attend this State meeting are asked to contact Mrs. Laks or Mrs. Mitchell J. Wood, 4237 Verona Avenue, Jacksonville 32210, for reservations in the Robert Meyer and George Washington Hotels, headquarters at the Conference. The registration fee is \$7.50.

Members who have yet to pay their membership dues for the 1966-67 year—\$3 for active members and \$10 for sustaining members—are asked to send them in to the treasurer, Mrs. Judy Walker, at once. Of course, any new \$100 Life Memberships will be most welcome, and these do not need to be renewed annually like other memberships.

Discussed at the meeting was the Hospital Information Pamphlet being considered by the Hospital Board to be presented to patients as they enter the hospital. Tentative plans call for an attractive pamphlet with a picture of the new hospital building on the cover, containing brief paragraphs relating to the operation of the hospital, its functions, rules, regulations, ownership, departments, personnel, and the like. Mrs. Alice Ramey was asked to write a paragraph explaining the work of the Pink Ladies for the pamphlet.

Prior to the general meeting Tuesday night, a meeting of the Auxiliary's executive board was held in the office of hospital administrator, J. C. Simonds, Jr., Monday afternoon, at which time Mrs. Grace Maxson, the outgoing president, was presented with a past president's pin; also a snack set in milk glass as a gift from the Auxiliary. Mrs. Maxson, who was one of the leading figures during the organization of the Auxiliary two years ago served during two terms of office as its first president, was unable to be present at either the board meeting or general meeting.

# Now— U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

*Higher interest on the  
Bonds you already own, too!*

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will

earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive

new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours.

**"Today, none of us can remain aloof on the sidelines."**

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
